The letter to the Ephesians is rich with practical theology-- revealing who God is and how we ought to live in light of Him. In chapters 1-3, Paul writes to the faithful believers to remind them of the mystery of the gospel that has been revealed to them, praising God for the blessings that are ours in Christ: calling, redemption, inheritance, death to sin, life in Christ. We are not called for our own sake or because of our own merits. We are called according to His purpose. In chapters 4-6, Paul tells the faithful believers how we are to live in light of this gospel in a way that is pleasing to God. We do not walk according to the futility of our minds. We walk according to His calling.

Each week includes two sections: Weekly Study and Weekly Reading. The Weekly Study text follows along with the primary preaching text for the week from Ephesians. The Weekly Reading walks through the New Testament. The New Testament readings are not broken up by day to allow you more flexibility within your week.
