THE GOSPEL OF JOHN

Read John 1:1-18.

Ponder the significance of the revelation of God.

- Watch this [Look at the Book](#) video unpacking John 1:14..
- Who is “the Word”? (vs 1)
- What does it mean that the Word became flesh? (vs 14)
- Why is it significant that the Word dwelt among us? (vs 14)

Study John 1:12. What does this verse mean for Jesus followers?

- What is the cause and effect relationship in this verse?
- Look up and read other New Testament references to “children of God.”
 - Start with Galatians 3:24-29, Romans 8:14-17, and 1 John 3:1-10. Look in the margins or footnotes of your study Bible for more.

Pray Holistically

Read John 1:18 and praise God, for He has made Himself known.

- Father, thank you! In your mercy and grace you have made yourself known by your Word. We could not know you apart from your revelation. Help us to seek to know you as you have revealed yourself to be.

Pray Personally

Read John 1:16 and praise God, for He has given you grace upon grace.

- Father, thank you! From your fullness I have received grace upon grace. Though I was in darkness, you are the light that has overcome the darkness. Though I did not deserve it, you have lavished your grace on me.
- Pray prayers of thanksgiving for the specific, personal measures of grace you have experienced from the will of God.

Purpose your heart to treasure the Scriptures, because God has made Himself known through His Word. Be diligent to ponder, pray, and practice biblical truth.

This week, establish a plan for your Bible reading, Bible study, prayer, and a weekly edifying community that will hold one another accountable and seek to build one another up in Christlikeness.
